4:00-6:00 p.m.**

**PRINCIPAL'S NEWS**

Dear Parents:

Spring Program – On Friday evening, the children shared their faith with the rest of us. In one hour, they modeled our school’s mission. They imparted it better than any marketing tool created by the adults in their lives. They are true believers and their body language especially their smiles said it loud and clear. Yesterday I told them their belief in Jesus showed as they sang, danced, and spoke. As a faith based school, it is what they do every day. They believe in Jesus who helps them to believe in themselves which helps them to believe in others. That’s it.

I appreciate the efforts of the Music Teachers and the rest of the faculty who guided the kids along on their Spring Program journey as they were helped to truly share their faith in Jesus, their school, and others.

Teacher In-Service – On May 18<sup>th</sup>, the teachers will receive an In-service on the Mimeo Boards that were recently installed in Grades Pre K, 2, 5, 6, and 7. The rest of the teachers will benefit from it as well since they use the Promethean Board in the Multi Purpose Classroom which is comparable.

May Fest – Sunday, May 15<sup>th</sup> - Are you planning on attending this parish event? Did you read the email that I sent regarding signing up to help with games on that day? If yes, could you please consider helping? Fr. Jim requested that the school be responsible for working the games so I need your help. Look for the email and let me know soon. I’m in charge of the Rummage Sale that will be held in the Multi Purpose Classroom so I will be on site the entire time.

Fund Raising Meeting – It is on Monday, May 9<sup>th</sup> at 5:30 p.m. in the Conference Room. You are welcome to contact Arlene Tenner, Tresa Germain, or Chris Lilla with suggestions. Otherwise, you may attend the meeting and offer your insights in person.

Drive for Kids – This will be an easy way to earn \$ 10.00 for the school. Bernard’s from New Richmond arrives in our parking lot at 3:00 p.m. with three vehicles to test drive. You take advantage of this by circling around the block and we receive \$ 10.00 for your efforts. The representatives from Bernard’s aren’t sales people so it isn’t to entice you to buy a vehicle. It is the Chrysler Foundation reaching out to the community and offering a way to help our school. We have been chosen as the recipient of their generosity to education. It is on Thursday, May 19<sup>th</sup> from 4:00 p.m. – 6:00 p.m. Bring friends and family to help us raise money.

It is a pleasure to serve your children.

## THANK YOU!

Thank you to all who gave so generously to the free will offering after the plays on Friday. The money collected after expenses will go towards funding the general music program.

DVD's of the play will be available for your purchase for \$7.00. Please see your family folder for an order form.

Picture discs of the play will also be available to purchase for \$2.50. Please indicate your interest on the order form.

## St. Mary's Summer Food Booths

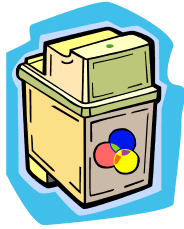

St. Mary's is once again hosting a food booth at the June Park Art Fair and at July's FunFest. A volunteer sign-up sheet is in today's family folder. These are fun events that get the school into the community. We will determine soon when we will hold an early June cheesecake dipping and pork pulling gathering. So that is another time you can help us out.

Thanks for supporting this FUNdraiser and social event!

We received checks for the following fundraisers:

Ink Cartridges and Toners

\$143.00

Paper Drive

\$138.00

General Mills Boxtops for Education

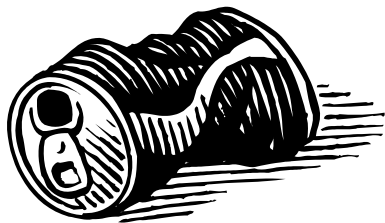

\$156.80

Kwik Trip Milk Moola

\$92.20

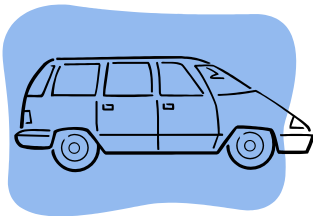

Aluminum Cans etc.

\$3298.00

Bits & Pieces  
Doris Mitchell
