February 6, 2012

Mardi Gras is this Friday. It's not too late to buy your tickets in the office! Ask them about our class donation!

Here's a peek at our week:

**MATH:** Students will problem solve by looking for a pattern, practice adding 2, compare objects by length and identify pairs.

**RELIGION:** We have Mass duties on Wednesday! We'll also learn about what sacraments are.

**READING/LANGUAGE ARTS:** Our story this week is The Little Red Hen. Our skills we'll work on this week are story structure, summarizing, and the short *e* sound. Also, the students will practice naming parts and action parts (nouns and verbs) and using *I* in a sentence.

**SPELLING:** Our spelling test on Friday will be on the following words: egg, sent, yes, get, hen, help, there

Challenge words: elephant, penny, pencil

**SOCIAL STUDIES:** We will continue our unit on "All Kinds of Jobs." We'll review needs and wants. We'll talk about different kinds of work and goods and services. Look for the extra assignment due Monday in their folders!

**SCIENCE:** We will talk about weather and changes in weather.
