

Grade 1 Newsletter!

November 28, 2011

Here's a peek at our week:

MATH: Students will continue practicing double facts and adding 1 to a number. They will also sort and graph items and use a balance to measure the weight of an object.

RELIGION: Students will learn about Advent and some of the new changes to our Mass.

READING: Our story this week is Listen to the Desert. Students will work on making generalizations, high-frequency words, and review consonant clusters.

LANGUAGE ARTS: Students will continue their phonemic awareness with the short *a* vowel sound.

SPELLING: Our spelling test on Friday will be on the following words from our story: call, eat, fish, say, to, hop
Challenge words: listen, desert, snake

SOCIAL STUDIES: We will begin the next unit on citizenship.

SCIENCE: We will share our animal projects, review the animal groups, and take a test on it.
