

Grade 1 Newsletter!

October 24, 2011

I have two parent volunteers for our festivities in the gym this Friday. I would like another volunteer if possible. The time span you would be needed for is 12:50-2:05. Here's a peek at our week:

MATH: Students will be writing addition numbers, working on double addition facts, and identifying a rectangle.

RELIGION: We'll talk about Jesus as a healer and a teacher on love. We will also pray the rosary with the rest of the school on Thursday.

READING: Our story this week is "Pumpkin, Pumpkin." We will be working on final sound recognition, sequencing, and action verbs ending in -s, -ed, -ing.

LANGUAGE ARTS: Students will be working on their phonemic awareness of the consonants w, c, r.

SPELLING: Our spelling test on Friday will be on the following words from our story: in, out, plant, put, six, then

Challenge words: pumpkin, pulp, sprout

SOCIAL STUDIES: We'll continue our unit on communities, expanding it to our world. We'll work on map skills and have a fire department presentation Thursday morning.

SCIENCE: We will review and take a test on plant parts.
