Dear St. Mary School Families,

We began the school year on a wonderful note! On the first day, Fr. John blessed all the students' backpacks, marking the start of another year filled with learning and growth, while also reminding students that God stands with them each day. Then, on Wednesday, we held our first all-school Mass. We invite you to join us for school Masses each Wednesday at 10:00 AM, as well as for Adoration on the first Friday of each month at 1:30 PM. Please note that from now on, the church doors will remain locked during Mass and Adoration.

Is your student excited about the possibility of joining the Student Council this year? It's a fantastic opportunity for kids in 3rd grade and up! Each grade, 3rd and up, will have one representative, and 8th grade will have both a president and a vice president. If your child is interested in running, they should let their homeroom teacher know by September 15th. They can also bring in two fun "Vote for Me" posters—one for upstairs and one for downstairs. Then, on September 17th, our candidates will have a chance to shine with speeches after the prayer service at 10:00 AM in the church. Voting will happen on September 19th. Good luck!

If you are planning on volunteering at the school or chaperoning a field trip, you must complete the Safe Environment Training and background check. Please do not wait until the last minute to complete this, as sometimes it may take up to 5 days to be approved. There is no cost to you, but the Diocese of Superior requires this training for all adults who will be interacting with students. Please email Mrs. Engelhart at jengelhart@st-marysschool.com if you would like information on how to complete the safety training.

This year's Gala, our school's largest fundraiser, is set for Saturday, February 14th, at Ready Randy's, themed Sweetheart Masquerade. With your continued support, I'm confident we'll make this year memorable, just like the ones before! All are welcome to attend and please look for more information to follow.

I want to extend my heartfelt gratitude to everyone who gathered this morning at 8:00 AM to pray the Rosary for our school and for the victims of Annunciation Catholic School. Your support and compassion during this difficult time truly matter. Let's continue to hold them in our thoughts and prayers today and in all the days to come.

Blessings,
Mrs. Engelhart
