Dear St. Mary School Families,

WOW! It's hard to believe we are already in the month of March! This year is flying by with many exciting activities to come. Parents please be on the lookout for permission slip forms as many grades have exciting field trips coming up this spring.

A friendly reminder that our upper grades are taking turns leading the Station of the Cross each Tuesday at 9:30 A.M. during Lent. Please join us if you are available. Is your family looking for a Lenten service opportunity? If so, please consider packing food for Feed My Starving Children in Eagan, MN on March 9th from 2:30-4:15. If you are interested, please contact Ms. Rosauer at mrosauer@st-marysschool.com. Also, Adoration this month will be moved to 1:00 P.M. due to conflicts in schedules and will take place on March 8th.

We are looking for volunteers for the SMS Fun Fest Food Booth. We have some veteran families whose children have since graduated that would like to train in new families to take over. If you are interested in helping out please contact Mrs. Moore in the school office. This is a great way for the school to be seen in the community, and it is a tradition that we would like to see continue.

Events coming soon- Spring Pictures will be on March 12th and students may dress in their Sunday Best. If students choose not to dress up for pictures then they should wear their uniforms. Also, our St. Mary's 10th annual Golf Tournament will be on June 17th! Look for more information to come.

Joyfully serving,
Mrs. Engelhart

STAFF SPOTLIGHT

This week's Staff Spotlight is on Mrs. Vicki Derrick, one of our 4K teachers. My name is Vicki Derrick and this is my 17th year teaching 4K at St. Mary School. I live in New Richmond with my husband Chad, and my two children Ethan and Emma Jo. Both of my kids attend St. Mary School, Emma Jo is in 4th grade and Ethan is in 7th. I love teaching at SMS because it feels like family to me and it's my home away from home. My favorite thing to do when I'm not teaching is watch my kids' sporting events. They are both in football, wrestling, and baseball/softball so it's a year round thing for our family. I am also on the New Richmond Wrestling Board and I have a passion for getting more girls involved in the sport. I also enjoy powerlifting. I picked up the sport after I had ACL surgery in 2016 and have enjoyed it ever since. I did win a powerlifting competition in 2019 and wouldn't be opposed to doing another one if the opportunity arises. I also enjoy running and softball as well.

1. You have just won the lottery—what would your first big splurge be on? I'm not sure about splurging but I would love to pay off our house that we just built and help my other family members pay off their debt.

2. If you could only eat one food for the rest of your life, what would it be? I could eat the Blazin' Buffalo Wings from Buffalo Wild Wings every day because it's my favorite thing to eat. The hotter the better!

3. What is one fun fact about you we would be surprised to learn? As a teenager I had the opportunity to travel in an ambassador program. I was able to visit Australia, New Zealand, Germany, Switzerland, Austria, France and Italy.
