Spirit Day!

Dear St. Mary School Families,

Congratulations to all the St. Mary School students who are making their First Holy Communion this weekend. May this be a joyful celebration of God's love and a testament to our student's growing faith, and that they remember God's love will always be there to comfort, guide, and bless them.

The final month of school is right around the corner. Please watch family folders for field trip permission slips and return them as soon as possible. The teachers have some wonderful experiences planned for the students. I am looking forward to seeing all the fun that the students will have.

A friendly reminder that middle school students will be performing at the Gem Theater on Friday, May 3rd. Parents of middle school students should contact Mrs. Moore in the office to reserve their tickets. Elementary students will have their spring performance in the church on Friday, May 10th. Parents do not need to reserve tickets for the elementary performance. For those cannot attend the K-5 program will be livestreamed.

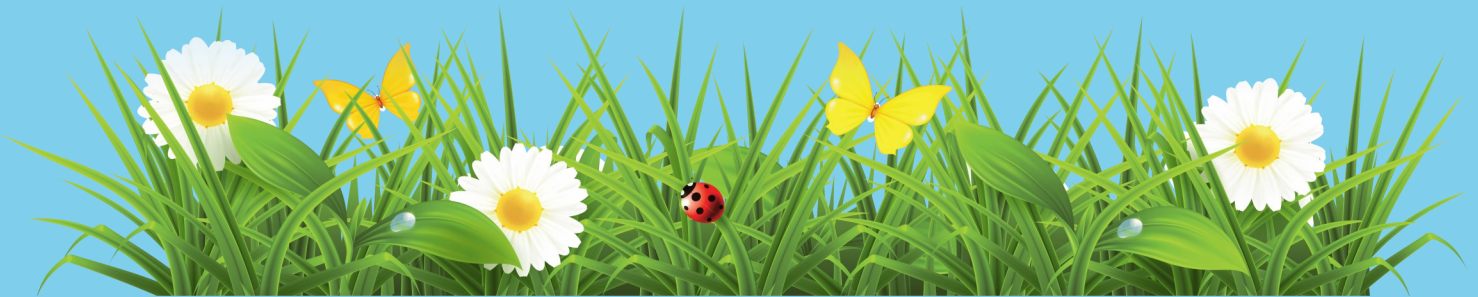

Teacher Appreciation week is coming up quickly and will be celebrated the week of May 6th! Please check your email, family folders and social media posts for ways you could help make this week memorable for our wonderful teachers.

Have a wonderful week!
Mrs. Engelhart

STAFF SPOTLIGHT

This week's Staff Spotlight is on Mrs. Jennifer Brantner, our first Grade Para, and all around MVP here at SMS. Hi, I'm Jennifer Brantner. I've been married to my husband Mitch for 15 years. We have 3 children Madisyn (7th), Brayden (5th) and Landon (3rd) who attend St. Mary School. I'm currently working in 1st Grade with Mrs. Thomson and this is my 4th year at St. Mary's. I love working here because I get to mentor and help kids while watching them blossom and grow.

1. If there was a zombie apocalypse, what 2 staff members would you want on your team? Why?

LOL...I would take Mr. Bernstrom as he knows Taekwondo and could defend off the zombies and the second person I would take is Mrs. Thomson as we make a good team and would keep each other company. I'd be doomed by myself.

2. If you won the lottery, what would your first big splurge be?

I'd be buying a house with a pool in Hawaii for sure!

3. What is one fun fact about you we would be surprised to learn?

I've never broken a bone!

These cost you nothing extra and St. Mary School funding is supported by your participation:
