Dear St. Mary School Families,

I hope everyone had a wonderful Spring Break and a Happy Easter with family! It was great to see the kids back in school this week smiling and excited to be with their friends again.

The Spring Programs are coming up quickly with 6-8th grade students performing at the Old Gem Theater at 1:00 on Friday, May 3rd. Then Kindergarten-5th grade students will perform at 1:00 on Friday, May 10th, right here at Immaculate Conception Church. Parents of 6-8th graders, please watch for an email coming soon with information regarding how and when you can get your tickets for the show!

MAPS testing will begin April 15th and run through May 2nd. Look to each classroom's newsletters for your child's testing schedule. It is very important that students are well rested and eat a good breakfast on test days.

As many of you guessed on Facebook, we received our new library shelves! Mr. Bill and Mr. Chris have started putting the bookshelves together, and it is starting to look like a library more and more each day. We are getting closer to our goal of having the library ready for student use for the 2024-2025 school year!

Also, please mark your calendar for the annual St. Mary Golf Tournament that is scheduled for Monday, June 17th. You can find registration and/or sponsor information in the church bulletin, school emails and Facebook.

Have a wonderful weekend!

Joyfully serving,
Mrs. Engelhart

STAFF SPOTLIGHT

This week's Staff Spotlight is on Mrs. Thon, one of our 4K Teachers. Hi, I am Missy Thon. I live here in New Richmond with my husband. We have 3 grown children, one son in law, and one future son in law. We also have 2 grand dogs. I have taught 4K at St. Mary's since the fall of 2013. My favorite thing about St. Mary School is the family atmosphere. I love having the kids wave, say good morning or stop in for hugs. Thank you for sharing them with us!

1. You have just won the lottery—what would your first big splurge be on? I would retire and buy a camper and truck and tour the national parks.

2. You have a very important guest coming to dinner, what would you cook to try and impress them? I would serve steaks from the grill, Caesar salad and scotcheros because they are yummy and I am confident in make them with my husband. (He's the grill master)

3. What is one fun fact about you we would be surprised to learn? I do not eat baked apples. I love raw apples but the texture of cooked apples makes me nauseous.

These cost you nothing extra and St. Mary School funding is supported by your participation:

*Shop on AmazonSmile, [smile.amazon.com](https://www.amazon.com/smile) choose *Immaculate Conception Parish*
